Commodore's Message

Hello everyone!

Welcome to the 2022 racing season on Galway Lake and to the 70th Anniversary Celebration!!! An exciting, fun-filled season of racing and events that we look forward to sharing with you, your family and your guests.

This sailing season we begin with a full racing schedule beginning on the weekend of June 25th. There's a "Dry Land Racing Clinic" scheduled for the morning of the 25th, pre-registration is required since seating is limited. Sailing races start with the Commodore's Tune-Up Regatta scheduled for June 25-26. This year if you are new to racing and are not sure of joining the Club, we offer you a chance to race during the Commodore's Tune-Up Regatta. It's a great opportunity to experience the joys and excitement of racing and especially the great camaraderie.

Five days of fun-filled events are scheduled to celebrate Galway Lake Sailing Club's 70th year. Our 70th Anniversary Celebration begins with a schedule of events starting on July 13th and ending July 17, 2022. Check out the *Schedule of Events* on Page 5 for specifics.

A number of regattas are scheduled such as the July 9th Sunfish Regatta, the July 16th Throwback Regatta, and the July 24th Catamaran Regatta. Other Fleet regattas are being scheduled and will be posted as they are finalized. Check the *2022 Racing & Other Events Schedule* in this Mainsheet for dates and times for Sprint races and other activities.

Check on the website, Facebook page or your inbox for a weekly Mainsheet available by each Thursday prior to each sailing weekend. If you prefer receiving a hardcopy of the Mainsheet, send a request to hasnak50@yahoo.com or call/text (518) 860-4805 and we'll let you know where to pick up a copy. The Mainsheet will contain important information and updated changes and additions about sailing, racing clinics and other events. This information may also be found on the GLSC website, Facebook page or by email.

Please consider supporting the Club by purchasing a membership whether you sail or view from shore. As a member, you will be invited to all Sailing Club activities. Memberships help pay for various costs associated with running a sailing club. Membership and waiver forms may also be found on the website, Facebook page or sent to you by email.

The GLSC Board of Directors look forward to summer and seeing you on Galway Lake.

Thank you and Happy Sailing!!!

LET US KNOW AND WE'LL ADD IT IN

A BRIEF EXPLANATION OF THE STARTING SEQUENCE

The course is posted on the side of the Club's pontoon boat. If the wind changes, the course may be changed for the second race. Heavy wind sequence is to be sailed if a yellow flag is posted on the boat. The yellow flag also means life jackets **MUST** be worn.

One minute before the starting sequence begins, an Oogah horn will sound. Be ready to start your watch with the next horn, the U-Start will automatically raise flags based on the strength of the wind and whether we are sailing a sprint race or full race. (See Mainsheet, Page 4 for times).

If two horns are sounded before the race, there is a postponement.

If two horns are sounded during the race, drop the last mark. Three horns during the race means the race is canceled.

During "full" races, you may not sail through the start finish line during the race until you finish.

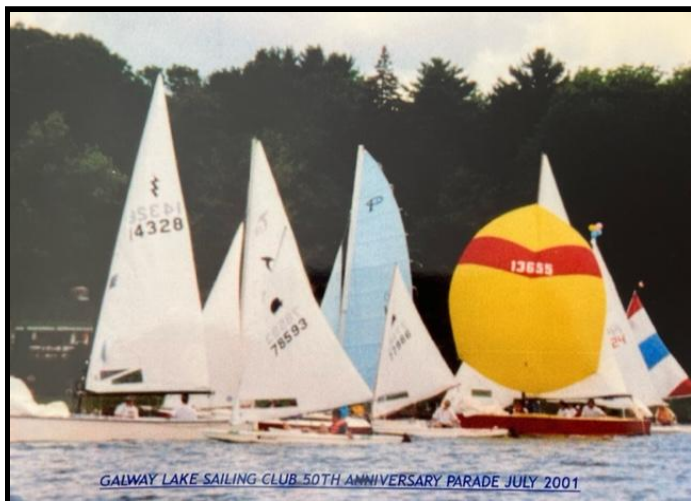

SOUNDS CONFUSING?

If you are new to racing and the above sounds confusing, don't be discouraged. We are planning on creating a video of the starting sequence and what to expect. The video will be out before the June 25-26 Commodore's Regatta.

BY DARCIÉ RUNDELL, 2020 COMMODORE 2020 SEASON REMARKS

The 2020 sailing season on Galway Lake occurred during a year of No. No gatherings, no parties, no events, and no being closer than 6 feet to each other all thanks to Covid. But the Galway Lake Sailing Club is resilient – so we said Yes. Yes to new fun regattas (Blue Fleet is not much fun without awards and banquets), and yes to gatherings and socializing on the lake every weekend as 6 feet distance is easy in a boat. We proved that we could, as a club, find fun and laughter, sailing “competitions” and the start of the themed regattas.

This was the summer of the crazy hat regatta, the red/white/blue regatta and of course the First Annual Beer Regatta. A fun time for everyone.

The 2020 sailing season was not “the usual”, but as a club everyone came together to make the best of a different situation and year. The themed regattas are continuing, the sailing club is still going strong and we all learned that while competition is important, friends and just sailing because we love to sail is really what the Galway Lake Sailing Club is all about.

BY LAUREN RUNDELL, 2021 COMMODORE 2021 SAILING SEASON RECAP

2021 was the year of the unknown. We had no idea if we would be able to get sustainable membership in the club, have events on or off the water based on the still rapidly changing COVID situation, and it was unknown if we would even be able to have a Sailing Club. My main concerns and goals for the season surrounded membership, both increasing and retaining club members. However these plans got pushed to the back of the boat when the lack of insurance for the club surfaced early in the planning of the season. I'll fully admit that the insurance debacle was well above my knowledge base and abilities, so many thanks to Jim, Hasna, and my parents for helping with that. And thankfully all was good by the start of the sailing season and the first race was held on schedule.

To help increase membership and keep the Sailing Club fun, we continued the idea of themed races from the year before, bringing back many of the popular ones like the BEERgatta and adding new ones such as a Tiki Party themed race with an on land Tiki Party afterwards. These one day themed races helped to increase membership in general while reestablishing the Blue Fleet, which could not run the prior year due to COVID. Thankfully COVID guidelines were on our side for the 2021 sailing season allowing for races and social gatherings to take place. The weather, however, was not always working in our favor as we had many rainy days and unfortunately had to cancel some races due to weather and unforeseen technical difficulties. But overall we had a great 2021 sailing season and the Galway Lake Sailing Club is continuing through to the 2022 sailing season

CELEBRATING 70 YEARS OF THE GALWAY LAKE SAILING CLUB!!!

GALWAY LAKE SAILING CLUB, INC.

WAIVER AND RELEASE OF LIABILITY FOR 2022 SEASON

IN CONSIDERATION OF acceptance of your club membership, and of the substantial volunteer efforts of the directors, fleet captains, members, and associated volunteers for Galway Lake Sailing Club, Inc. ("GLSC"), THE UNDERSIGNED HEREBY:

1. Acknowledges you have no physical condition that would prevent you from participating in any GLSC sailing races and other related events.
2. Agrees to be bound by the ISAF Racing Rules of Sailing and all other rules that govern GLSC events. GLSC will not accept any liability for material damage or personal injury, illness, disease, or death sustained in conjunction with or prior to, during, or after any GLSC sailing races and other related events.
3. Acknowledges that each sailor has a unique level of experience, skills, weight and strength. Because the club chooses to start a race with a certain combination of weather conditions does not mean that it is safe to participate or continue to participate for every sailor as the weather changes. You are urged to stay off the water or get off the water if conditions are such that you could be endangered. You are responsible for any crew you might have with you. The undersigned acknowledges that the decision to start and/or continue racing in any race or weather condition is the sole and exclusive responsibility of the undersigned.
4. Acknowledges that participation in the sport of sailing, sailing races, and other related events involves substantial risk of personal injury, disability, or even death, and the participant assumes full responsibility for any loss or damage, accepting loss or damage covered by insurance, that may come to any person, boat, pier, float, or other property used in conjunction with GLSC events as the result of improper use, negligence, violation of the ISAF Rules of Racing, and other acts of sailors, and forever gives up and relinquishes any claim for liability against the GLSC and its respective officers, fleet captains, directors, agents, volunteers, or employees. GLSC recommends that each competitor be insured with valid third-party liability insurance.
5. Waives, releases, and discharges the GLSC from any and all claims of a crew member participating in sailing races, and any other related activities sponsored by the GLSC. You have discussed and reviewed this document with your crew member(s). You have read the Waiver and Release of Liability Agreement, fully understand its terms and sign it freely and voluntarily. By signing your name below you accept the terms and conditions stated above.
